GOVERNMENT OF MYSORE

Re Secy's Query on back of Dy Com's letter.

The Dy Commr assures Govt that the properties in question were "duly acquired .... after observing all the necessary procedure laid down in the Land Acqn Regn" that no claims & objections were preferred, not only on the date (31.7.01) for which the award had been fixed, but till the disbursement of compensation to the parties concerned; and that Siriyappa's claim petition only reached him on the 16th August 1901 after such disbursement had been completed —

In the absence of the original records connected with the acquisition, we have to accept the above assurance as to the perfect regularity of the proceedings, and, in particular of those prescribed in

* Date of disbursement not given

Ss. 9, 10 & 11 of the Land Acqn. Act. On this assumption, there is no doubt that no liability has been incurred on behalf of Govt. in the matter, since, under S. 11, the award is final & conclusive evidence, "as between the Govt. & the persons interested," of (amongst other things) the apportionment & of the compensation among the persons interested."

But, of course, Ariyaratna has his own remedy against his mortgagor Selvan Ramaiya, since "the liability of any person who may receive the whole or any part of any compensation awarded under the Act to pay the same to the person lawfully entitled thereto" is declared unaffected, in the 3rd proviso to Sub-s (2) of S. 31.

From N. Narasimmiengar Esq.

To N. V. Nanjundayya Esq. M.A. M.L.
Secretary to the Government of Mysore
General and Revenue Depts.

Sir,

I have the honour to report for the information of Government that under the authority of Government Notification No. 6098-R.F.1-96 dated 14th February 1901, the lands and houses specified therein were duly acquired for the extension of the Shimoga Railway Station yard after observing all the necessary procedure laid down in the Land Acquisition Regulation and compensation therefor, as estimated by the Panchayetdars and finally awarded by me, was disbursed to the

parties concerned as no claims or objections were preferred to me in the matter.

2. On the 14th August 1901, one M. Giriappa, a resident of Shimoga, put in a petition by post alleging that the houses and sites of one Ilgar Ramaiya, father of Venkatasubbaiya, were included among several properties mortgaged to him under a registered deed some time back, and requested that the compensation fixed therefor may be held in abeyance until the disposal of his claim. This petition came to my notice in the usual course on the 16th August 1901 after the disbursement of the compensation. An endorsement was accordingly sent to him to the effect that the amount had been already disbursed to the rightful owners as no objection was preferred by anybody on the 31st July 1901 for which date

the award had been fixed and notified, and on which date it was settled by the Deputy Commissioner. Again a notice from Mr B. Garudachar, Advocate on behalf of said Giriappa, was received of which a copy is herein enclosed for reference.

3. Venkatasubbaiya, son of the late Ilgar Ramaiya, to whom a copy of the notice was sent, has since admitted his liability to the extent of Rs 532-0-0 and produced the amount in cash, which has been deposited in Savings bank in favour of the Vice President of the Shimoga Municipality. He has also furnished a tangible security in the person of Tirpalayana Venkatappa, a respectable local Sowcar who has executed a stamped Muchalika agreeing to pay the amount which, under the decree of a competent court, might become payable to Giriappa on account

of the property in question.

4. A reply was accordingly sent to Giriappa's Advocate, Mr. B. Gundachar a copy enclosed — referring him to a competent Civil Court wherein to seek his remedy against the party concerned. The house materials constituting the property in question duly acquired as above stated, will be put up to auction with a view to the grounds being cleared and handed over to the Southern Mahratta Railway authorities.

In reply to your notice dated 4th October 1901, on behalf of your client Hola-durgada Girijappa, I have to state that your client had ample opportunity before the payment of compensation amount to Subbaiya, of urging his rights to the property acquired by the Government, and his petition, by not being presented personally, but sent by post, came up for orders in the usual course after such payment.

I

I am given to understand that your client has other properties besides this, hypothecated to him, Sribbaniya is also willing to pay up the Sum actually due to your client (he says) and therefore your client can have no manner of claim against the Government for the compensation paid to the owner of the house.

3. Venkataswami. do (15 years)

5. Lakshmana. do (9. a)
6. Narayana. do (6. a)
7. Mr. K. S. Puttanna Chetty

The 7th defendant states as follows:-
1. It is not true that the mortgage
relied on by the Plaintiff was made
known to the defendant as required
by law.
2. It is not true that the Plaintiff
stated his claim to the lands acquired,
at the time of Enquiry as required
by law or at any other time.
3. The properties were acquired
legally by the 7th defendant for
public purposes under the Land

acquisition Regulation, and the compensation for the same was paid to the owners, viz, 1st and 2nd defendants.

4. After the payment of the compensation amount to the 1st and 2nd defendants, the Plaintiff for the first time sent by post an application to the 7th defendant to the effect that the properties acquired have been mortgaged to him and that he was entitled to have his mortgage amount paid. The 7th defendant sent for the 1st and 2nd defendants, and on informing them about the contents of the Plaintiff's application, they admitted the Plaintiff's claim to the extent of Rs 5-32/- which they deposited in the Government Savings Bank.

5. For the above reasons the 7th defendant is not liable to the Plaintiff's claim and the suit

is

as therefore liable to be dismissed as against him with costs.

Memo.

The declaration of the intended acquisition of the land belonging to Islagar Rameah was duly published under section 6 of the Land acquisition Regulation 1894, Vide Negapatam Gazette 7th March 1901, Government Notification no. 6098 (5) P. & I. 96 dated 16th February 1901, which made it evident that the land was needed for a public purpose. As required by section 9 (and clauses thereunder) of the Land acquisition Regulation, notice stating particulars of the land and requiring all persons interested therein to appear and state the nature of their interests was caused to be duly published in the months of June and July 1901. And a notice to that effect was also served on the occupier of the land. Neither the Plaintiff nor any other persons except the

owner and occupier of the land appeared and stated if they had any interest in the lands. Inquiry was held in conformity with the provisions of the Regulation and as nothing was stated by the 1st and 2nd defendants as to the mortgage of the land to the Plaintiff, compensation was awarded on 31st July 1901 on the report of the Purchaser among whom was included the D. C. & S Sub Division officer no I Sub Division in the Mugga. The amount of compensation was paid to Venkatasubbaiah (2nd defendant) son of T. Ramiah on 15th August 1901, on receipt of necessary intimation from the Comptroller. A fortnight after the award, a petition dated 12th August 1901 purporting to come from the Plaintiff was received by post on that date representing that the property of T. Ramiah acquired by Government had been

mortgaged to him along with other properties and praying that the compensation awarded therefor might be held in abeyance until the disposal of his claim. The petition not being presented in person but received by post had to pass through several hands and was brought to my notice in the usual course on the 16th August, ie after the compensation had been paid. It is thus apparent that the Plaintiff did not prefer his claim in time nor did he do so as required by law. An endorsement was sent to Govindappa to that effect.

Subsequently a notice dated 6th October 1901 was received from Mr. B. Garudachar, advocate for the Plaintiff under section 424 of the Civil Procedure Code. A copy of this being sent to Venkatasubbiah, the latter appeared and admitted the Plaintiff's claim to the extent of

Rs 5-32/. on the property acquired and produced the amount in cash which has been deposited in the Savings Bank in favour of the Vice President of the Shemoga town municipality. He has also furnished adequate security in the person of Sowkar T. Venkappa, who has executed a stamped muchilika agreeing to pay the amount which under the decree of a competent Court might become payable to Giriappa on account of the property in question. Accordingly a reply (copy enclosed) was sent by Mr. Garudachar, advocate for the Plaintiff, informing him that his client could have no manner of claim against Government for the compensation paid to the owner of the land. The sale of the materials of the property acquired has been

stopped

stopped in deference to the orders of the Court in Miscellaneous application No. 170 of 1901-02 on the file of the District Judge, Shemoga. Mr. Salu Rao, advocate and Public Prosecutor, has been requested to oppose this application besides defending the suit.

Dated 30th November 1901.

Sir,

In reply to your notice dated 4th October 1901 on behalf of your client Hosadurgada Girappa, I have to state that your client had ample opportunity before the payment of compensation amount to Subbanna of urging his rights to the property acquired by the Government and his petition by not being presented personally but sent by post came up for orders in the usual course after such payment. I am given to understand that

Your

your client has other properties besides this, hypothecated to him. Subbayya is also willing to pay up the sum actually due to your client (he says) and therefore your client can have no manner of claim against the Government for the compensation paid to the owner of the house.
